

G-Research PHD Prize in Maths & Data Science

Academic prize of up to **£10,000**

Who can apply?

Cambridge University students in their final or penultimate PHD years working across areas including, but not limited to:

- Quantitative Finance
- Mathematics
- Computer Science
- Statistics
- Physics
- Engineering
- Machine Learning

How to apply:

Students wishing to apply should send an electronic chapter or excerpt of their draft dissertation along with a CV and covering letter to sophie.allisett@gresearch.co.uk. Your cover letter should outline a summary of the submitted thesis, your contribution (if submitting a joint piece of work) and how this work can be applied within its broader research context and/or finance. Comparable pieces of work/already published papers will also be accepted. Max entry 50 pages.

**Applications open:
18th October 2021**

**Applications close:
31st January 2022**
